# Sustainable Square At a Glance

How Sustainable Square can help your business achieve its **ESG, Sustainability** and **Impact goals**.

## ESG Advisory

1

ESG/Sustainability Materiality, Benchmark and Gap Analysis

2

Climate Change, NetZero and ESG Strategy Development

3

ESG Reporting and Disclosure

We use our proprietary methodology to identify ESG and Sustainability factors with the highest potential to impact the value of your company, narrowing focus onto high impact areas to boost financial and operational performance.

Our team of experts will analyse how your current practices align with evolving investors, rating agencies, stakeholder expectations on ESG and climate commitments. As experts in the leading ESG reporting frameworks we can guide you in all areas of your ESG and climate change reporting for investors and other stakeholders.

# Sustainable Finance & Responsible Investment

1

ESG Policy & Procedures aligned with international frameworks

2

ESG Roadmap for Asset Managers and/or Portfolio

3

ESG Guidelines & Criteria for Sustainable Funds & Bonds

4

ESG Due Diligence

*We are a UNPRI Service Provider*

Responsible investing is a portfolio strategy that increases profitability while reducing ESG risks and leaving a positive impact on society. We provide bespoke solutions to the ever-growing and evolving industry of asset managers – enabling you to foster sustainable growth.

# Social Impact & Philanthropy

**1** Social Investment Strategies

**2** Social Impact Program Development

**3** Social Impact Monitoring, Evaluation & Measurement

Our impact services can help you kick-start your journey in establishing impact via strategy development.

Our experts will gauge your existing market position, analyse gaps and scout potential community investment opportunities, develop and establish strategic approaches to social impact programs and provide industry insights on the effectiveness of programs and initiatives.

# Reporting Frameworks and Guidelines

We align our services with globally recognized accords and institutions, ensuring credibility and reliability. These standards and frameworks provide a common language and set of principles for businesses.
